THE START-UP AND THE GAMELAN

THREE INSIGHTS

EPISODE 77

||: music thinking :||

ON GAMELAN AS A CONVERSATION

"THINK OF IT AS FIVE PEOPLE SITTING IN A RESTAURANT HAVING A CONVERSATION, TAKING TURNS EXPLAINING WHAT HAPPENED TO A SIXTH PERSON. THAT SIXTH PERSON IS THE AUDIENCE, AND YOU ARE HEARING DIFFERENT CONVERSATIONS COMING TOGETHER IN ONE HARMONIOUS SOUND."

ON AI BIAS AND MISREPRESENTATION

"THE DANGER IS NOT JUST IN THE AI OUTPUT, BUT IN THE ACCEPTANCE OF THE OUTPUT THINKING THAT IT IS RIGHT. THE MOMENT YOU START ACCEPTING A MISREPRESENTED SOUND AS TRUTH, THAT IS WHERE THE REAL DANGER STARTS."

ON GAMELAN LEADERSHIP AND ROLE ROTATION

"A GOOD LEADER PASSES ON THE BURDEN AND SAYS: 'TODAY, YOU TAKE OVER AND RUN THE MEETING.'
IN A GAMELAN ENSEMBLE, WHEN YOU ROTATE ROLES, YOU LEARN HOW TO LISTEN TO EVERYBODY ELSE.
THERE IS A REASON WHY IT IS CALLED AN ENSEMBLE AND NOT A SOLO PERFORMANCE."
